## Yashoda Hospital Creates History. The First and Only Lung Transplant Centre in A.P.

On 8<sup>th</sup> September, Yashoda performed the first ever lung transplant in the state for 34 year old Archana Shedge, thereby making it a case for the record books. A brand new breath of life for Archana; just another day at work for us. With this landmark surgery, Yashoda continues its tradition of being at the cutting-edge of medical science and providing the very best in healthcare.
